

# Monthly Progress Report

## November 2019

*Inspiring TRUE Sports*

**Sri Lanka Anti-Doping Agency**

04-12-2019

Physical and Financial Progress

## Research

1. Technically evaluated the tender documents sent by bidders for the Supply and Installation of five decimal analytical balance, four decimal analytical balance, top loading balance, universal centrifuge machine and micro centrifuge machine for SLADA Research Laboratory.
2. Technically evaluated the tender documents sent by bidders for the Supply and Installation of ultrasonic bath, laboratory shaker, pH meter, vortex mixer and conductivity meter for SLADA Research Laboratory.
3. Finalized purchasing 21 laboratory instruments for SLADA Research Laboratory by discussing with other members of the Technical Evaluation Committee and preparing TEC reports.
4. Monitored the furnishing of SLADA Research Laboratory and worked together with the contractors for its completion.
5. Took necessary action to fulfil the other requirements essential for initiating the laboratory such as purchasing glassware and establish fire extinguisher system.
