## Prohibited List

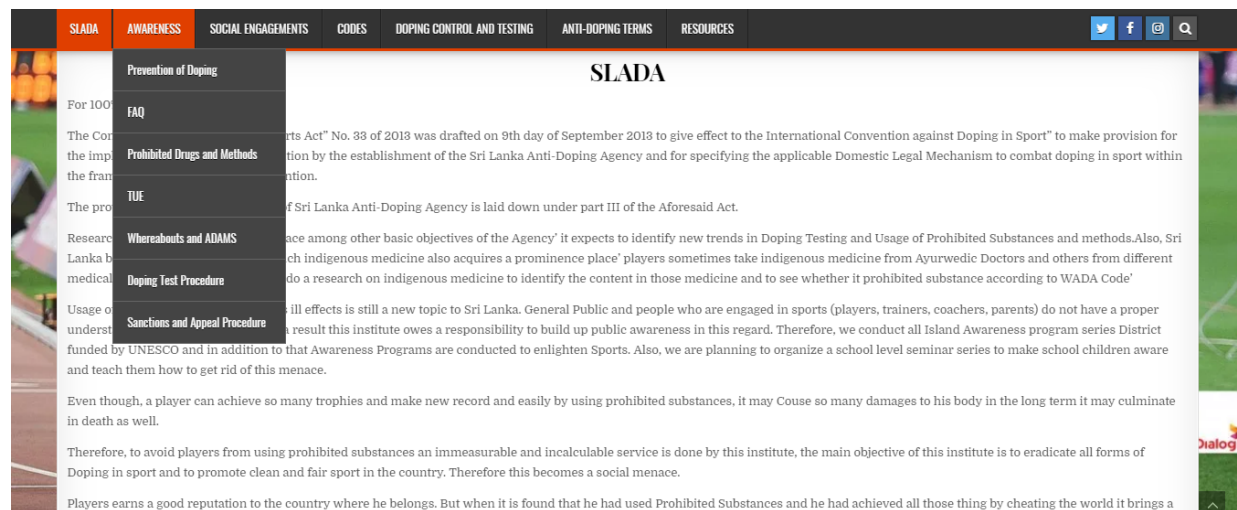

The Prohibited List for the year 2019 was published in the extraordinary corresponding to gazette number 2110/2 dated 11.02.2019. The cabinet approval was obtained for the aforesaid and the gazette was presented to the parliament on 3<sup>rd</sup> of April 2019 in-order to seek the Parliament approval.

## Information Technology

### Creating a website redesign strategy and implementing it.

Reasons: design look outdated and lack of information

New design is more descriptive by covering wide area on anti-doping and with more functionality.

- Social Media Campaign for anti-doping awareness calling “TOP TIPS” (facebook-Antidoping Srilanka, Twitter -@SLAntiDoping)

## International Events (Foreign Tours)

Prof. Arjuna de Silva, Chairman of Sri Lanka Anti-Doping Agency has been participated for the SARADO Board Meeting & CCQ Workshop, which was held in Kathmandu, Nepal on 24th - 26th of April 2019. Because of the prevailing situation of the country, was unable to participate for this meeting.
